Because the Minnesota Department of Human Services is requesting that you provide private information about yourself, the Minnesota Government Data Practices Act requires that you be informed of the following:

1. Purpose and intended use of the information: Minnesota Statutes, section 144.057, requires the Minnesota Department of Human Services (DHS) to conduct background studies on individuals who have direct contact with patients and residents in hospitals, boarding care homes, outpatient surgical centers, nursing homes, home care agencies, residential care homes, board and lodging establishments registered to provide supportive or health supervision services, individuals employed by supplemental nursing services agencies, and controlling persons of a supplemental nursing services agency, and all other employees in nursing homes. The background studies are to be completed according to the requirements in Minnesota Statutes, chapter 245C. The information requested will be used to perform a background study of you that will include at least a review of criminal conviction records held by the Minnesota Bureau of Criminal Apprehension and records of substantiated maltreatment of vulnerable adults and children. DHS may also later require you to submit additional information and/or your fingerprints if necessary to complete your background study. For all individuals who are subject to background studies by DHS, the corrections system will report new criminal convictions for disqualifying crimes to DHS. County agencies and the Minnesota Department of Health report substantiated findings of maltreatment of minors and vulnerable adults to DHS.
2. Where you may refuse or are legally required to provide the information: Minnesota Statutes, chapter 245C, states that the individual who is the subject of a study must provide sufficient information to ensure an accurate background study.
3. Known consequences that may arise from supplying the information: Individuals who have histories with the characteristics identified in Minnesota Statutes, chapter 245C, will be disqualified from positions allowing direct contact with (and, where applicable, access to) persons receiving services. Health-related licensing boards will make a determination whether to impose disciplinary or corrective action on individuals regulated by health-related licensing boards who have been determined to be responsible for substantiated maltreatment. Individuals who do not have disqualifying characteristics will not be disqualified.
4. Known consequences that will arise from refusing to supply the requested information: Only items identified as “optional” may be left blank. Refusal to provide the information necessary to ensure an accurate and complete background study will result in your disqualification and an order to the agency or facility to remove you from any position allowing direct contact with (and, where applicable, access to) persons receiving services.
5. Identification of other agencies or entities authorized to receive this information: The information you provide will be shared with the Minnesota Bureau of Criminal Apprehension. If DHS has reasonable cause to believe that other agencies may have information pertinent to disqualification, the information may also be shared with county attorneys, county sheriffs, courts, county agencies, local police, the Federal Bureau of Investigation, the office of the Attorney General, agencies with criminal record information systems in other states, and juvenile courts. Background study results may be shared with the Minnesota Department of Health, the Minnesota Department of Corrections, the Office of the Attorney General, non-licensed personal care provider organizations, and health-related licensing boards.

If you have a disqualifying characteristic, the facility will be told only that you are disqualified and will not be told what caused your disqualification, unless you were disqualified for refusing to cooperate with the background study or for serious and/or recurring maltreatment of a minor or vulnerable adult. The information about you received as part of a background study is classified as private data and, except for the agencies noted, cannot be shared without your consent.

OUR MISSION

Influenced by Christ, Lyngblomsten provides a ministry of compassionate care and innovative services to older adults in order to preserve and enhance their quality of life.

LYNGBLOMSTEN TODAY

Lyngblomsten is a Christian nonprofit organization serving as a resource to older adults and their families by providing home- and community-based services, senior housing, and skilled nursing care. Lyngblomsten is a social ministry organization under the auspices of the Evangelical Lutheran Church in America and is partnered in ministry with three dozen Twin Cities area Christian congregations. Lyngblomsten's campus includes a 24-hour skilled nursing home (Lyngblomsten Care Center), a market-rate apartment building (The Heritage), a HUD-subsidized apartment building (The Lyngblomsten Apartments), Swedish-style service houses (within the Care Center), chapel, Alzheimer's programs, and Home Health Services. Lyngblomsten's community outreach includes the Care Team Ministry, Community Wellness & Education, Parish Nurse Ministry, and The Gathering caregiver respite program, as well as the 5-5-1 Club community center. Persons of all faiths and cultures are welcome.

OUR HISTORY

Lyngblomsten was organized in 1906 by 11 Norwegian women who wished to provide a home for the elderly who had no one to take care of them. In 1912, after five years of fundraising, the dedicated women saw their dream become reality with completion of Lyngblomsten's first building at the corner of Pascal Street and Midway Parkway in St. Paul. Until 1961, Lyngblomsten was an independently operated facility managed by women under the sponsorship of "branches" of volunteers.

OUR PARTNER CONGREGATIONS

In 1961, Lyngblomsten was reincorporated and gifted to congregations in the St. Paul Conference of the American Lutheran Church (now ELCA). Partnered congregations elected delegates to Lyngblomsten. Later, corporate membership was opened to all Twin Cities area Christian congregations interested in affirming the mutual ministry and commitment to provide for the needs of older adults.

OUR VOLUNTEERS

Lyngblomsten is blessed with more than 700 volunteers of all ages who donate their time to help in more than 100 different positions. Many of them come from our corporate congregations and range in age from a few months old to people in their 90's. Their assistance, talent, and enthusiasm help sustain the high quality and loving care found throughout Lyngblomsten.

LYNGBLOMSTEN:

HOW DO YOU PRONOUNCE THIS WORD?

LYNG - blom - sten

Lyngblomsten is named after the lyng flower, a sturdy Norwegian mountain heather with purple blossoms, the national flower of Norway. "Blom" is Norwegian for flower/bloom, and "sten" is used to connect the two.

For our participants' families, Lyngblomsten supports their needs through careful listening, traveling alongside them as they walk the journey with their loved ones.
