Renew

The Gathering presents a day of RENEWAL for those experiencing early- to mid-stage memory loss—offering them a variety of stimulating activities with a specially trained group of volunteers to engage their minds and bodies.

Replenish

While the person with memory loss enjoys a safe and engaging time, caregivers can do errands, visit with a friend, and/or rest in order to REPLENISH their energy for their role of caregiving.

Rejuvenate

After a fun time with peers for participants and a restful break for caregivers, both can return to their daily routines feeling refreshed and REJUVENATED.

Program Funding

Funding is provided through grants and by the generosity of individuals who make financial gifts to the Lyngblomsten Foundation. The Gathering is also funded in part by the Older Americans Act Title IIIIE National Family Caregiver Support Program in partnership with the Metropolitan Area Agency on Aging.

If you would like to make a donation to The Gathering, contact the Lyngblomsten Foundation at (651) 632-5324 or visit www.lyngblomsten.org/donate.

A Day at The Gathering

- The program is staffed by dedicated volunteers specially trained by Lyngblomsten staff to understand the distinctive needs of people experiencing memory loss.

- Volunteers greet participants upon arrival at 10 AM and together enjoy engaging activities and socializing until 3 PM.

- Following a nutritious lunch, participants are involved in an afternoon of activities which helps them remain active and engaged.

- Typical activities include: music, games, light exercise, simple woodworking, painting, polymer clay projects, as well as discussion groups (reminiscing, sports, history, etc.), special guest speakers, and more.

   To maintain the integrity of the program’s structure, The Gathering does not accommodate drop-ins or visitors.

About the Program

The Gathering is a program offered through 2nd Half with Lyngblomsten in collaborative partnership with more than 20 churches in the east metro.

Each program site meets two to four times per month and accommodates a group of eight to ten participants (persons experiencing early- to mid-stage memory loss). There is one volunteer for every participant.

The caregiver and their loved one will meet a Gathering staff professional for an assessment prior to enrollment.

A sliding fee scale is used to determine the contribution amount requested.
