The Gift of Wholeness in the New Year

We humans love the New Year! We love the notion that we can begin again—that we might be able to make a fresh start. In computer lingo, the New Year lets us “reset” our lives. We love to examine every aspect and see where we might need to make some changes. After the decadence of the holidays, both in physical consumption and in social overload, we look forward to the quiet days of January where we can contemplate just where we stand in life. From this contemplation and examination come those pesky New Year’s resolutions! Sometimes those resolutions are made with hope and expectation. Sometimes we make them with a big dose of “shoulds” for ourselves. This New Year, I invite you to give yourself a gift. Offer yourself the gift of wellness and wholeness. Give yourself time to explore what wellness might feel like in many parts of your life.

Could I be more physically well?
- Check out Living Well with Chronic Conditions (p. 17)
- Learn about blood pressure and why we monitor it for good health (p. 18)
- Get the most out of your doctor appointments (p. 18)

Could I be more spiritually well?
- Join the Spirituality Reading Group (p. 17)
- Learn about spiritual direction (p. 18)

Could I be more socially well?
- Start your morning with Laugh ‘N Chat (p. 14)
- Enjoy a Bingo & Lunch gathering with others (p. 13)
- Make new friends on an Out & About trip (pp. 14–15)

Could I be more culturally and artistically well?
- Make your own masterpiece at an Exploring Art series (p. 10)
- Attend a Second Sunday Concert with MacPhail (p. 12)

Give yourself the gift of wholeness and wellness and enjoy the many gifts available through 2nd Half with Lyngblomsten! We look forward to growing with you in the New Year!

Volunteering
Volunteering is a way of life for many people, and it is an excellent way to boost one’s sense of purpose. The Lyngblomsten Volunteer Services team strives to place volunteers in roles that encourage growth, socialization, and dignity. Volunteers are given proper training and supervision as well as the opportunity to be heard. A few of the opportunities available with our community programs and campus life are listed below.

To learn more about any of these volunteer opportunities, please contact Peggy Cerrito at (651) 632-5406 or pcerrito@lyngblomsten.org. Registration is required for general orientations and The Gathering trainings.

Volunteer Opportunities:
2nd Half with Lyngblomsten
• Hospitality: Help guests of the many programs and classes feel welcome and comfortable. Volunteer helps with set up (including refreshments and possibly registration) and with tear down (putting away supplies, turning in attendance sheets, and reporting to the staff supervisor about the event).
• Bus Driver: Drive the Lyngblomsten 13-passenger bus to medical appointments, local stores, and sometimes to seasonal activities. No special license is required to drive the bus. The volunteer will be asked to have medical clearance (no expense to the volunteer).
• The Gathering Leader or 1:1 Volunteer: In a group setting, work one on one with a person living with memory loss, or plan and lead a day of activities—the choice is yours. Volunteers with The Gathering are really providing service to two people: the person with memory loss who is your “buddy” for the day and the loved one of your “buddy” who receives a day of respite! All Gathering volunteers receive special training.
Volunteer Opportunities: Lyngblomsten Campus

• **Cashier at Anna’s café and gifts:** Helping out at Anna’s is an opportunity that is not only social, but also a little technical and even a little “foodie”! Cashiers will operate a cash register that uses Square technology on an iPad; this is something that volunteers can learn during the first training shift. There is also a Turbo Chef oven to heat food. Customers of Anna’s are people who live on campus, staff, visitors, event participants, vendors, and family members.

• **Game Player:** If you like to play a certain game, chances are someone who lives on the Lyngblomsten campus likes to play it too! We have regularly scheduled games of 500, Cribbage, Farkle, Scrabble, Cranium, and more. Volunteers add an extra element of fun by bringing a different level of competitiveness and sociability to the game.

• **Appointment Escort (a.k.a. “pusher”):** Getting to and from an in-house appointment is much easier and enjoyable when a volunteer helps a resident get there. Volunteers can get many steps on the pedometer during a morning of pushing residents in their wheelchairs to and from physical therapy or the beauty shop! Not only do the traveling doctors appreciate the help of getting people to and from appointments, but staff also loves when volunteers help get residents from the elevator to the chapel for movies, concerts, or large social activities. The escort role is a great way to be the hands and feet of God!

Lifelong Learning & the Arts: Music & Movement

**Continuing Education for Lyngblomsten Volunteers**

Monday, January 22
9:30 AM–12:30 PM on the Lyngblomsten campus, Community Room (lower level)

**Current and prospective Lyngblomsten volunteers** are encouraged to join us to learn about the many uses of music and movement when volunteering with Lyngblomsten. Discuss music and movement strategies and techniques to serve older adults who have varied ability levels and experience. Topics will include:

• Music and Movement for Connection (Social Engagement);
• Music and Movement for Health Benefits (Physical & Cognitive); and
• Music and Movement for Fun (Stimulation)

We will introduce many approaches and activities, and discuss the evidence behind making music and movement part of the Lifelong Learning and Arts programming throughout Lyngblomsten. Join us for a fun-filled learning experience alongside other Lyngblomsten volunteers—together we make a difference!

Congratulations!

Lyngblomsten Community Services has won the **national Rose Dobrof Award** from the Brookdale Foundation Group!

This national award honors an organization that has demonstrated leadership and commitment to excellence in the delivery of supportive services to people with dementia and their caregivers. Lyngblomsten received the award in recognition of The Gathering, a group respite program offered through 2nd Half with Lyngblomsten, which has helped older adults living in the community with early-to mid-stage memory loss and their caregivers for 17 years.

The award comes with a gift of $10,000 that will contribute to the Lyngblomsten Foundation’s fundraising efforts to provide ongoing financial support for the continued offering of dignified, enriching programming through The Gathering.
