Summertime Experiences Found Within!

“Keep your face always towards the sunshine and the shadows will fall behind you.”
– Walt Whitman

As the new 2nd Half with Lyngblomsten Site Coordinator in White Bear Lake, I am thrilled to be a part of a program that promotes community engagement, wellness, access to resources, and discovery. I look forward to what summer has to offer all of us in these areas. Spring was slow to arrive in Minnesota this year, so let’s dive into what we know to be our only season without snow in the forecast—summer!

2nd Half offers many ways for you to engage in the warmth of summer or the reprieve of the indoors. Read through our latest offerings and reflect on how you would like to spend your upcoming days.

Will your summer include being out and about at a picnic at Hidden Falls (p. 16) or wine tasting in the St. Croix Vineyards (p. 15)? Will you take part in the FREE Mobile Markets (p. 18) to gather some seasonal produce from local growers? Strolling the neighborhoods of Como Park (p. 18) with others could be the way you enjoy the fresh summer air. And again this year, our Lyngblomsten Mid-Summer Festival on July 20 is the perfect way to celebrate the arts and lifelong learning (see back cover).

2nd Half with Lyngblomsten offers plenty of indoor options too. We have monthly Art History classes (p. 9), Armchair Traveler presentations (pp. 8–9), Lakeshore Radio Players performances (p. 10), Second Sunday Concerts (p. 12), and so much more to enjoy in the cool air conditioning!

If you are a caregiver looking to find new or expanded ways to give yourself a break or to participate in our programs with your care partner this summer, please call us at (651) 414-5291, and we will assist you.

Summer invites us to join our community in new ways. Discover how you can engage in all that this season has to offer by participating in 2nd Half with Lyngblomsten!

Program #917sop1 (morning shift), or #917sop2 (afternoon shift)

**Volunteering**

Volunteering is a way of life for many people, and it is an excellent way to boost one’s sense of purpose. The Lyngblomsten Volunteer Services team strives to place volunteers in roles that encourage growth, socialization, and dignity. Volunteers are given proper training and supervision as well as the opportunity to be heard. A few of the opportunities available with our community programs and campus life are listed below.

To learn more about any of these volunteer opportunities, please contact Peggy Cerrito at (651) 632-5406 or pcerrito@lyngblomsten.org. Registration is required for general orientations and The Gathering trainings.

**Volunteer Opportunities:**

**2nd Half with Lyngblomsten**

- **Hospitality:** Help guests of the many programs and classes feel welcome and comfortable. Volunteer helps with set up (including refreshments and possibly registration) and with tear down (putting away supplies, turning in attendance sheets, and reporting to the staff supervisor about the event).

- **Bus Driver:** Drive the Lyngblomsten 13-passenger bus to medical appointments, local stores, and sometimes to seasonal activities. No special license is required to drive the bus. The volunteer will be asked to have medical clearance (no expense to the volunteer).

- **The Gathering Leader or 1:1 Volunteer:** In a group setting, work one on one with a person living with memory loss, or plan and lead a day of activities—the choice is yours. Volunteers with The Gathering are really providing service to two people: the person with memory loss who is your “buddy” for the day and the loved one of your “buddy” who receives a day of respite! All Gathering volunteers receive special training.
Volunteer Opportunities: Lyngblomsten Campus

• Cashier at Anna’s café & gifts: Helping out at Anna’s is an opportunity that is not only social, but also a little technical and even a little “foodie”! Cashiers will operate a cash register that uses Square technology on an iPad; this is something that volunteers can learn during the first training shift. There is also a Turbo Chef oven to heat food. Customers of Anna’s are people who live on campus, staff, visitors, event participants, vendors, and family members.

• Game Player: If you like to play a certain game, chances are someone who lives on the Lyngblomsten campus likes to play it too! We have regularly scheduled games of 500, Cribbage, Farkle, Scrabble, Cranium, and more. Volunteers add an extra element of fun by bringing a different level of competitiveness and sociability to the game.

• Appointment Escort (a.k.a. “pusher”): Getting to and from an in-house appointment is much easier and enjoyable when a volunteer helps a resident get there. Volunteers can get many steps on the pedometer during a morning of pushing residents in their wheelchairs to and from physical therapy or the beauty shop! Not only do the traveling doctors appreciate the help of getting people to and from appointments, but staff also love when volunteers help get residents from the elevator to the chapel for movies, concerts, or large social activities. The escort role is a great way to be the hands and feet of God!

Wellness—Strengthening the Mind & Body, including Music & Movement

Continuing Education for Lyngblomsten Volunteers

Monday, September 24
9 AM–12:30 PM on the Lyngblomsten campus, Community Room (lower level)

Current and prospective Lyngblomsten volunteers are encouraged to join us for a fun-filled learning experience alongside other Lyngblomsten volunteers—together we make a difference! Nearly every month, Lyngblomsten offers a special way for volunteers to learn and connect. Content can be specific to our arts programming or general “life lessons.”

Join us to learn about the many uses and benefits of wellness, including music and movement, when volunteering with Lyngblomsten. Wellness advocate and Wisdom Dance teaching artist Emily Jarrett-Hughes will be on-hand to provide inspiration, resources, and techniques to empower and equip you in using creative dance for health and the Seven Dimensions of Wellness.
