

Volunteer to serve those with memory loss

Join the group of volunteers in your area who enjoy making a difference in the lives of people experiencing early- to mid-stage memory loss.

The Gathering program, coordinated by Lyngblomsten, offers a day of fellowship and fun activities while giving respite to the caregivers of people with memory loss.

Volunteers receive comprehensive training so they are able to plan the day's activities and promote socialization for their participants.

“Volunteering at The Gathering is another extension of God’s purpose for me.” –Volunteer
