## Who We Are

*Parish Nurse Ministry Resource Group is part of Lyngblomsten  
Home- and Community-Based Services*

The mission of the Lyngblomsten Parish Nurse Ministry is to wholistically bring together faith and health to educate, counsel, and help people of all ages within a faith community.

Lyngblomsten's Parish Nurse Ministry began in 1994 and is an example of the innovation Lyngblomsten offers to the faith community by providing support for nurses and churches. At its peak, the program was established in more than 20 congregations. In 2012, the resource group model was adopted so that Lyngblomsten can assist more congregations while relying less on donor gifts to fund the program.

Lyngblomsten is a Christian nonprofit organization offering a continuum of care, with programs and services designed to meet the needs of older adults. Options include skilled nursing care, senior housing and assisted living, and an array of supportive programs including: Care Team Ministry, 5-5-1 Club community center, Community Wellness and Education, The Gathering, and Memory Loss Services.

*Influenced by Christ, Lyngblomsten provides  
a ministry of compassionate care and  
innovative services to older adults in order to  
preserve and enhance their quality of life.*
