

Age Boldly with Lyngblomsten

Stories are one of the greatest gifts of life. They make us laugh and cry, they ground us, and they inspire us. The story of Lyngblomsten's commitment to helping older adults age well in community is worth telling and worth hearing.

Join us for an **Age Boldly with Lyngblomsten** presentation to hear the story of our **2nd Half with Lyngblomsten life enrichment centers**. Your only commitment is 50 minutes of your time and your thoughts about the experience afterwards.

If you have questions or would like more information on how you, your office, or your congregation can attend, please contact Tim Overweg at (651) 632-5319 or toverweg@lyngblomsten.org.
